

Awareness Program on Cyber Crime

Date: March 18, 2024

Venue: Yeshwant Mahavidyalaya, Seloo

Organized by: National Service Scheme (NSS)

Yeshwant Mahavidyalaya, Seloo, took a proactive step in addressing the rising concerns of cybercrime by organizing an Awareness Program on March 18, 2024. The program aimed to educate students about the various facets of cybercrime and equip them with knowledge to protect themselves in the digital world.

On this occasion, Pritam Nimgade, PSI, Seloo Dist. Wardha, who served as the Resource Person for the event, along with Dr. Anant Rindhe, an esteemed Associate Professor, Department of History and Dr. Archana Dahane, the Coordinator of NSS. Additionally, Dr. Rashmi Bakane, Co-coordinator of NSS, and Ms. Sapana Vaidya, representing the student body, graced the occasion. Their presence underscored the significance of the initiative in addressing the pressing issue of cybercrime awareness among students and faculty members alike.

Dr. Archana Dahane commenced the program with an introductory speech, welcoming the guests and setting the tone for the event. She also introduced Pritam Nimgade, PSI, who served as the Resource Person for the program.

Pritam Nimgade, in his insightful speech, shed light on various aspects of cybercrime, including advanced technology, phishing, hacking, the importance of safeguarding personal information, secure password practices, the risks associated with free Wi-Fi usage, identifying fake emails and IDs, and the menace of blackmailing. His guidance provided attendees with practical strategies to mitigate cyber threats.

Following Nimgade's speech, students actively engaged in an interactive session, posing questions related to cybersecurity. Nimgade's responses elucidated further on the discussed topics, enhancing the attendees' understanding.

Dr. Anant Rindhe, in his presidential speech, reiterated the significance of the awareness program and expressed gratitude to Pritam Nimgade for his valuable insights and guidance.

Ms. Saniya Mansuri, with her proficient anchoring skills, ensured the smooth conduct of the program. Ms. Sapana Vaidya extended gratitude to all participants, including the guests, speakers, and attendees, through a heartfelt vote of thanks.

The Awareness Program on Cyber Crime organized by NSS of Yeshwant Mahavidyalaya, Seloo, served as a platform for disseminating crucial knowledge on cyber

security among students and faculty members. The event fostered awareness, encouraged proactive measures, and underscored the importance of staying vigilant in the digital age.
